*trendy  
innovative  
in motion*

Award-winning designers combine their distinguished talents to create this

*unique Collection of Partner Rings, Wedding Ring Sets and Eternity Bands*

brought to life by the unparalleled use of rare alloy combinations and precision German craftsmanship.

Platinum  
Gold  
Titanium  
Stainless Steel

also offers **The Classic Collection.**

An endless variety of plain, comfort-fit rings in **multiple shapes, alloys, finishes and widths**, with or without single diamond – either in 14 kt or 18 kt yellow, white or red Gold, 990 Gold, 950 Platinum, pure Titanium or Stainless Steel. The widths range from 2–8 mm and beyond. Available finishes: polished, brushed, ice-matt, cross-satin, sandblasted or hammered.

## **Engagement Rings**

please see edition 5

## **The Sports Ring Collection**

please see edition 7
