COGE design group

also offers **The Classic Collection.**

An endless variety of plain, comfort-fit rings in **multiple shapes, alloys, finishes and widths**, with or without single diamond – either in 14 kt or 18 kt yellow, white or red Gold, 990 Gold, 950 Platinum, pure Titanium or Stainless Steel. The widths range from 2–8 mm and beyond. Available finishes: polished, brushed, ice-matt, cross-satin, sandblasted or hammered.

Engagement Rings

please see edition 5

Partners for Life

please see edition 6

We strictly use commercially pure
Titanium – DIN 37035 (Ti 2) –
insuring workability and longevity.
